Hong Kong PhD Fellowship Scheme

Greetings from the Hong Kong Economic and Trade Office in Jakarta. We represent the Government of the Hong Kong Special Administrative Region in Indonesia and handle matters between Hong Kong and the Association of the Southeast Asian Nations as a whole.

I write to inform you that the Hong Kong University Grants Committee has launched the Tenth Round of the Hong Kong PhD Fellowship Scheme. Established in 2009, the Scheme aims at attracting the best and brightest students in the world to pursue their PhD programmes in Hong Kong's universities. Through the Scheme, Hong Kong's outstanding universities offer research opportunities in a broad range of PhD programmes and will provide a competitive annual stipend and conference and research-related travel allowance per year up to three years.

Enclosed are posters and leaflets of the Scheme for your information. It is greatly appreciated if you could distribute them in the university. For further information, please contact HKPF@ugc.edu.hk or visit the Scheme's website at www.rgc.edu.hk/hkphd. Thank you.

Yours faithfully,

(Angie CHUNG)

Deputy Director (Public Relations and Administration)
