Writing Academic Paper

Academic Paper Writing Strategy:

Content in Academic Paper:

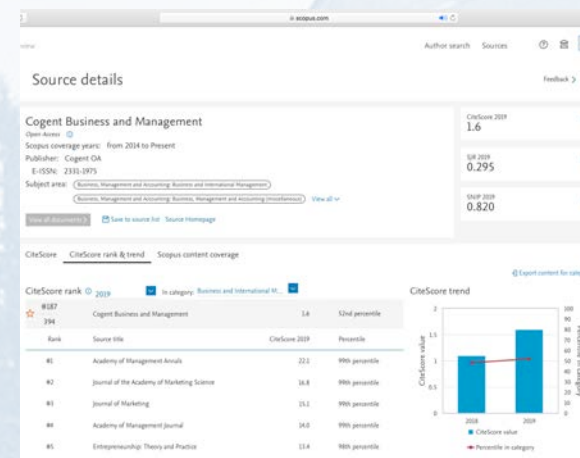

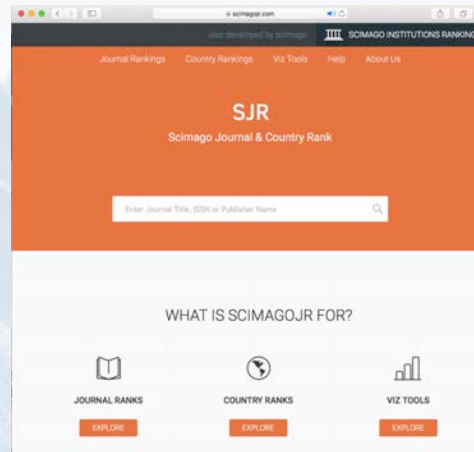

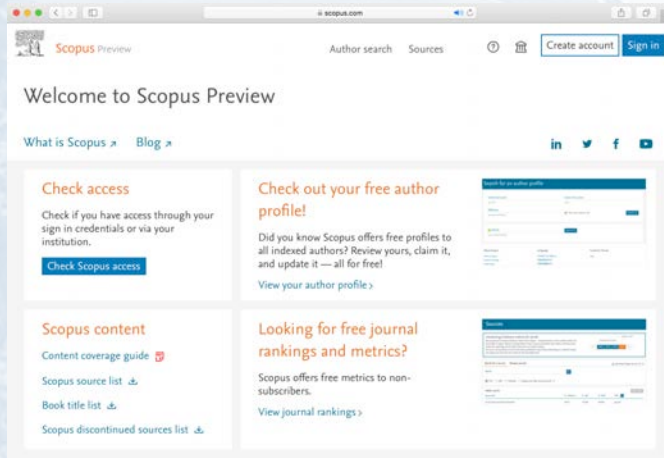

- 1) **Title**
- 2) **Abstract**
- 3) **Introduction**
- 4) **Literature Review**
- 5) **Research Method**
- 6) **Research Result**
- 7) **Discussion**
- 8) **Conclusion**

Ensure the quality of writing
proofread and grammar checks

Source: compiled from various sources and personal experience in writing papers

Academic Paper for Scopus Indexed Journal

- 1) Use SOTA to select the target journals, *at least two papers from the Journal can be cited*
- 2) Ensure the journal is still active on the Scopus list, *do your analysis*

- 3) Is there a fee charged?
submission fee / open access

- 4) Understand the journal writing style and format
review the author's guidelines and papers in the latest issue

- 5) Find out who the editors and reviewers are
is there any of their papers that can be cited?

- 6) Quality of writing
grammar and proofreading

- 7) Submit only to one journal
follow the process and wait for the results
